## GUITAR INTRO

TACET There's a [D] reason for the sunny sky  
There's a [D] reason why I'm feeling so high  
Must be the [A7] season when that love light shines all [D] around us

So let that [D] feeling grab you deep inside  
And send you [D] reeling where your love can't hide  
And then go [A7] stealing through the moonlit night with your [D] lover

Just let your [G] love flow like a mountain stream  
And let your [D] love grow with the smallest of dreams  
And let your [A7] love show and you'll know what I mean, it's the [D] season

Just let your [G] love fly like a bird on the wind  
And let your [D] love bind you to all living things  
And let your [A7] love shine and you'll know what I mean, that's the [D] reason

There's a [D] reason for the warm sweet nights  
And there's a [D] reason for the candle lights  
Must be the [A7] season when those love lights shine all [D] around us

So let that [D] wonder take you into space  
And lay you [D] under its loving embrace  
Just feel the [A7] thunder as it warms your face you can't hold [D] back

Just let your [G] love flow like a mountain stream  
And let your [D] love grow with the smallest of dreams  
And let your [A7] love show and you'll know what I mean, it's the [D] season

Just let your [G] love fly like a bird on the wind  
And let your [D] love bind you to all living things  
And let your [A7] love shine and you'll know what I mean, that's the [D] reason

Just let your [G] love flow like a mountain stream  
And let your [D] love grow with the smallest of dreams  
And let your [A7] love show and you'll know what I mean, it's the [D] season

Just let your [G] love fly like a bird on the wind  
And let your [D] love bind you to all living things  
SLOWING And let your [A7]\* love [A]\* shine, you'll know what I mean, that's the [D] reason
